About

InBusinessLinks Network™ (IBLN or !BLN) -
'NetWORKing with a Virtual Place to Advertise YOUR Business'

Established in 2009 IBLN growing from a casual, social networking, luncheon, group of business and creative members has grown to a business professional leads group with an online advertising presence. IBLN provides our business members with an excellent virtual medium resource, to display their collateral materials on the web, within social media, effective networking, and word-of-mouth opportunities. Members are dedicated to aiding in the success of each other's business goals. Advertising with IBLN has the potential of a good support system. Sales can benefit via excellent website design & development.
